

July, 2017

Dear Parent/Guardian,

We are thrilled to invite your student to the 10th Annual Incoming Freshman Welcome Day on Tuesday, August 8, 2017, sponsored by Student Council. This is a great opportunity for your child to meet other students while learning more about Palatine High School.

The event will begin with a welcome pep rally in the main gym promptly at 4:00 PM (Please drop off students at 3:45 p.m.) Immediately following the rally, incoming freshmen participants will explore the building and have an opportunity to find their locker and classrooms. The day's activities will culminate with ice cream. Parents can pick up their freshmen at 5:30 PM at either the main or gym entrances.

We believe that by introducing our incoming freshmen to some of our motivated, enthusiastic student role models and providing them with a safe, welcoming community, we can help to increase their academic success and make their tenure at PHS a positive one. Please encourage your child to take part in the Welcome Day activities.

We look forward to meeting your son/daughter at the Incoming Freshman Welcome Day for the Class of 2021 on Tuesday, August 8.

Sincerely,

Dr. Fred Rasmussen  
Director of Student Services
